## Section 0: Preliminary Information

**Interviewer Read:** Hello sir/madam, my name is **#Interviewer#**, and I am calling from TCG on behalf of the United Nations Food and Agriculture Organization (FAO). We are conducting a household survey to collect baseline data for the project Hinterland Environmentally Sustainable Agricultural Development (HESAD), implemented by the Ministry of Agriculture. I would like to ask you some questions about your household.

The survey usually takes **#xxx#** minutes to complete. Any information that you provide will be kept strictly confidential and will not be shown to other people. No personal identifying information will be collected. Also, you are not obliged to answer any question you do not want to, and you may stop the interview at any time. Your voluntary participation in the outcome of this interview is NOT IN ANY WAY linked to your personal chance of receiving any assistance. However, we hope that you will participate since your views are important.

You will receive \$1000 of phone credit as an incentive for the participation of the survey.

Please note that this call may be recorded for quality purposes

Do you have any questions?
